

Vestry Call Script

This is _____. I'm a member of the St. James' vestry. It's our custom to begin each vestry meeting with prayers for our parish, and you're on my list of people to contact this month. Is there anything in particular you would like me to lift up in our Monday meeting?

- You can call, text and/or email.
- If a prayer request is too personal, write it on the sheet with a note to have a priest contact the parishioner. We turn the sheets in to Kathy, so the priests will see your note.
- If you don't get a response, just lift up the parishioners by name. ex: "We pray for Leigh and Andrew Grady and their children, Stuart and Camille." But please try to make contact with them.
